

CPA AUSTRALIA

CPA AUSTRALIA

As one of the world's largest accounting bodies, with a global membership of over 160,000 finance, accounting and business professionals, our core services include education, continuing professional development, technical support and advocacy for the profession. The CPA designation is recognised globally, with members working in 150 countries and regions around the world.

The work of professional accountants is fundamental to the stability, efficiency and sustainability of individual companies, financial markets and the economies of entire countries.

BECOMING A CPA

Make your career move and be professionally recognised around the world by becoming a CPA. The CPA Program combines professional education with 3 years' relevant practical experience, ensuring you gain both the technical and practical skills required to prepare you for a great career. Depending on your previous studies, you can either commence the CPA Program right away or complete foundation units before starting the Program. Find out more at cpaaustralia.com.au/now
